We have not tested AGWA2 on a machine with Windows Vista so the answer to your question is I don't know. However, do note the following technical articles published by ESRI relating to ArcGIS installations on Windows Vista.

Does ArcGIS support Microsoft Windows Vista?

<http://support.esri.com/index.cfm?fa=knowledgebase.techarticles.articleShow&d=34020>

What are the Microsoft patches that resolve issues with Windows Vista?

<http://support.esri.com/index.cfm?fa=knowledgebase.techarticles.articleShow&d=34017>
